Subject: FW: Prepare Yourself for Redistricting

"

(Please forward to all 14 Commissioners)

I encourage all members of the California Citizens Redistricting Commission to attend this NCSL redistricting seminar. It is widely considered the most concise and well-organized training on redistricting offered anywhere in the country. Its target audience includes both new and experienced redistricters.

If there is anything the Rose Institute can offer the Commission in the way of training, outreach, or technical support, please call or email anytime.
